RE: WVU Student Move Out- Dumpster Locations

When: May 3, 2013 thru May 14, 2013

Where: Grant Ave, Beverly Ave, McLane Ave, Willey St, Garrison St and Brockway Ave. The dumpsters will be removed starting Tuesday, May 14, 2013.

Who Can Participate: This program is open to WVU Students living in the totor areas and are billed and paid current to Republic Services. This clean up is not for students living in commercial dwellings or for landlord use. (Violators subject to \$500 fine) Landlords are to make special arrangements for extra pick ups, fees apply. If you live in a commercial dwelling and the dumpster is full please contact the property mgr or landlord so they can arrange for an extra pick up. DO NOT pile trash in front or around containers as this may created an unnecessary delay in trash service.

Special Instructions: All trash is to be placed inside the dumpsters and not stacked outside. If the container is full the student should find another location.

**** Any trash left at the residence for collection must be bagged/boxed and stacked curbside. Trash will not be collected unless it is curbside.**

What will NOT be accepted: Carpet/tree limbs, construction materials, car parts, batteries, TVs, computers, air conditioners/refrigerators (unless tagged by certified technician), paints/other hazardous materials and tires. *Special Arrangements need made for these items; fees may apply.

**** Landlords can call to schedule extra move out pick ups; fees apply.**

For further questions concerning move out procedures contact a Republic Services Customer Rep at 304-366-8900 or 800-696-3173.

****Furniture or other household items that are re-usable are asked to be donated to the United Way Blue & Gold Mine Sale. Please visit Unitedway.wvu.edu to obtain information and to obtain a map of drop off locations nearest you.**
